(Sayed Mon-Weds  
Mark Thurs+Fri)

## What do we do?

- We don't run courses or scheduled sessions, instead:
- Problem based support – bring the material your having a problem with
- We seek to find root of your problem  
(this may not be what you expect!)

### However,

- Come early!
- If you come just before your exam/assessment we can only help you with small problems

## Where are we?

We are located in

Room 121, Newton Building  
(First floor, next to the lift)
