

**School of Science, Engineering & Environment
Foundation Year Progressions into First Year
Physics**

Induction week is an opportunity to get to know the newly-arriving students - who will be in your classes for the remaining years of your degree. We strongly recommend that you attend some induction week events, so that everyone in those future classes benefits from a maximum of cohesion and mutual support that can be available.

MONDAY 16 SEPTEMBER 2019

Time	Event Description	Location
09.50 - 13.00	Physics Society & SU Enrolment & Late Online Registration, followed by Campus Tour. Help out the new SUPS committee in accompanying new students. Tour building, the campus and have lunch.	Outside Newton 233 then rm 141 Newton, 1 st floor. Led by Student Society
